

Berean STEAM Club

Middle School

Overview & Purpose

The STEAM Club is for students in grades 6-8 at all ability levels. The goal is to increase critical thinking skills of each student through hands-on projects and challenges. STEAM Club also wants to inspire students to bring their imagination to life through science, technology, engineering, art, and math. Students will work in teams, partners, and individually to explore a problem presented to them and build various models.

Requirements

If you would like to enroll your child in STEAM Club, please fill out the attached STEAM Club Permission Form and return to Mrs. Fair or Mrs. Freed. These will be available through the office or by contacting Mrs. Fair or Mrs. Freed. A new permission form will be distributed prior to the spring semester. Your child will not be allowed to participate in STEAM Club without a completed permission slip.

STEAM Club is an extracurricular activity and will follow school policy on academic standards in order to participate. The student must be in good academic standing in order to participate. In addition, the student must also be in good standing regarding disciplinary actions.

Advisors

Samantha Fair (samanthafair@berean.me) Ext. 409
Connie Freed (conniefreed@berean.me) Ext. 418

General Meeting Info

Meetings will be held Wednesdays after school from 3:00pm -4:00pm in the MS/HS science lab.

Tentative Schedule

<i>Fall Semester</i>	<i>Spring Semester</i>
August 18	January 19
